Dear Charles and Ola,

my cuurent working e-mail: skovalyshyn@gmail.com .

that is another technical agreements that were developed six months ago aimed at technical transfer of money to different companies. Of course, no one is going to make such technical transfers. But such agreements should be signed and you should have them.

In February it is necessary to pay only the sums that I have indicated in the file.

Best regards,

Dear Charles,

I trust you spent wonderful Holidays.

We need to sign another loan agreement (attached) between Teleferic and BRH, the same as with Borzhava Invest and other companies.

Also could you please send me extract from the register regarding Teleferic ownership.

Kind regards,
Alex
